### **Product Description and Specification**

This Cenocco Beauty Rotating Facial Cleaning Brush is 7X more effective than a manual cleanser at gently cleaning and getting deep into the pores to remove dirt, dead skin, oil, makeup residues, and blackheads to improve your skin health.

### **Features:**

After each use, it gently exfoliates and massages your skin, leaving it soft, smooth, and radiant. Cleans pores and provides pure deep cleansing. Skin is left feeling smooth and refreshed. Massages and exfoliates your skin, leaving it soft and smooth. Durable and waterproof, allowing you to use it while bathing. It is more effective than hands alone at removing make-up, dirt, oil, and sweat. The brush heads are transparent PBT for cleansing dry skin, silicone for delicate and sensitive skin, and pumice for removing calluses. You can also get a massage at the same time. An inexpensive and risk-free method of cleansing facial skin, exfoliating dead skin, refining skin texture, and keeping skin smooth and delicate. It is both safe and convenient to use. You can have more healthy, elastic, and shiny skin in just a few minutes. Massage and cream application can help cream penetrate the skin and keep it nourished and hydrated. Travel-sized design is portable, allowing you to perform facial SPA at home or while traveling, assisting your facial skin to stay in good condition at all times. Reduces pore

size and improves absorption of nourishing creams and lotions
