Product Description and Specification

The Cenocco Beauty CC-9042 kneading massager can complete your day after a stressful work as it relaxes your aching body from the neck all the way down to your feet. Made from a high-quality PU leather, sturdy, efficient and effective, this massager creates a classy and elegant trim. Breathable mesh fabric provides comfortable softness and it maximizes heat dispersion and allows a flexible movement of the massage nodes. The 12 deep kneading shiatsu massage nodes have a two-way rotational function and it produces a soothing heat that effortlessly calms your muscle and provides a relaxing feel. Flexible strap allows variation of pressure application and reaches hard-to-reach target areas. Integrated with arms loops that can be used in opposite directions providing an option to hang your arms in both ways. As it provides massive relaxation experience, it is also equipt with a 15 minutes auto shut down option. Portable and easy to carry, you may use an adapter for a continuous massaging preference.

Not only it provides an ergonomic design structure it has also an unsurmountable health benefit. The heating function adds an extra touch of muscle-soothing intensity, helping you relax by enhancing blood circulation. Alleviate neck, shoulder, and soreness after spending on your day sitting in your office chair. Alleviate leg stiffness after a long stroll. Enjoy this massage any time of the day and anywhere and experience the comfort and care of the Cenocco Beauty Massager.
