Product Description and Specification

Create a wonderful and lavishing eyebrow with the Cenocco Beauty CC-9064: Beautiful Brows. A painless way to contour those fine lines. The precision head of the trimmer is made up of 18k gold plating and it is dermatologist approved that it can be used in any type of skin. This trimmer is to be used on the top and bottom of brows and in between eyebrows, to instantly and painlessly erase unwanted and stray eyebrow hair, without the pain of plucking! It glides smoothly leaving no mark and irritation. Its precision head also has an LED light that helps you navigate those rigid corners, fine hairs and achieving perfectly contour lines. It can also be used as a nose hair trimmer for your preference. Fire away those beautiful brows and amplify your beauty with this great portable eyebrow trimmer and shaver.
