Cenocco Beauty: 4 in 1 Steam iron Hair Brush Solution

Cenocco Beauty: 4 in 1 Steam iron Hair Brush Solution

This Cenocco Beauty: 4 in 1 Steam iron Hair Solution can eliminate and style unwanted frizziness, static, curls, tangled hair, and waves on thick or thin hair in a fraction of the time it takes a regular hair straightener, flat iron, or steam comb. Straighten permed, colored, and chemically-treated hair while brushing.

Features:

The steam will soften, brighten, and smooth the hair while preventing damage. You can avoid using a standard flat iron with this steam brush. This 4 in 1 Hair Straightener is ideal for use in the salon or at home. Simple enough for home use, but

tough enough to be in the arsenal of any professional hairstylist. Detangle and straighten your hair in minutes with our patented double ceramic brush plates and ion treatment! Our hair straightening steam brush eliminates the need for a hair brush. Remove and style unwanted frizziness, static, curls, tangled hair, and waves on thick or thin hair in a fraction of the time it takes to use a regular hair straightener, flat iron, or steam comb. Straighten permed, colored, and chemically-treated hair while brushing, and heat is evenly distributed for styling perfection. 3D straight comb No hair pulling and Continuous steam prevents hair damage 60 minutes auto shut OFF for high safety that protects from dry burn and with Digital LED temperature control 30ml large steam generating chamber World's 1st heat & high-pressure steam brush and with 5 heat settings up to 230 C with a high-quality thermostat
