**Cenocco CC-9071: Hard Brush Vacuum Mop**

The Cenocco CC-9071 Hard brush vacuum mop is a 3 in 1 power broom which is a floor scrubber, floor sweeper and a dustbin all in one. This innovative cleaning tool has a cylindrical brush that scrubs and sweep the floor and 2 circular brushes on the side pick up dirt on hard to reach areas maximizing the cleaning capacity as it rotates 360 degrees. This brush mop's handle is made up of a high grade telescopic stainless steel with a non-slip grip and completely adjustable height to accommodate user preference. It does not require any power to effectively clean any area, eco-friendly and really saves energy. It can also be used in bathroom and kitchen since it is waterproof. Easy to use, this remarkable sweeper uses a simple push and the spinning power of the broom will provide an effortless and efficient way of cleaning the floor. Ideal for hard floors such as wood, plastic, marble, floor tile, and cement structure except for the carpet.
