Euro Lady EL-SCM2: Round Silicone Bakeware

Euro Lady EL-SCM2: Round Silicone Bakeware

Create delectable cake and pastries with this premium-grade silicone baking mold. Made from high-quality silicone with nonstick quality makes it easy to release the food just by popping it out with the press of the finger. This bakeware is completely food grade and FDA approved. The versatility and beautiful vibrant color is a perfect addition to any kitchen. It's safe for the oven, fridge, freezer, and microwave use. It's easy to clean and dishwasher safe. Highly economical and practical, these baking molds are reusable so you can always make your favorite dessert anytime without buying another disposable mold. This has a wide heat resistant range from -40°C to 230°C without worrying about your bakeware and especially the taste of the food. Perfectly convenient for your making chocolates, cakes, fruit cakes, fondant, jello, frozen yogurt treats, and so much more!

Features:

Top-quality silicone bakeware mold Nonstick coating surface Durable and beautifully vibrant color design FDA approved and BPA free Nontoxic and food-grade materials High heat resistant range Easy to use due to the nonstick quick-release quality Maintain original shape even with high heat Practical, versatile, flexible and impermeable Safe for oven, microwave, fridge and freezer use Easy to clean and dishwasher safe
