Herzberg HG-5009GL: 2 in 1 High Power Glass Blender - 350W

Herzberg HG-5009GL: 2 in 1 High Power Glass Blender - 350W

The Herzberg HG-5009GL is a 2 in 1 blender and grinder combo that takes you further than the usual blender. Powered by a 350W watts maximum power motor, this combo can handle even the toughest food ingredients. The pitcher is made of high-quality glass and has a large capacity of 1.7 liters is ideal to make whip up a sauce, dressing, soups, velvety smooth, pasta pancake without lumps, fines baby formula, applesauce, milkshakes sparkling, fruit drinks, cocktails, crushing ice and so much more. With 5 speeds levels and pulse function, you adjust the speed according to the type of food preparation you want to achieve. The device is equipped with a dual cleaning system, easily detachable food-grade stainless steel blades. The pitcher lead has a rubber sealer allowing it to hold the ingredients inside and it features a no-mess pour spout for easy pouring The A smart protective mechanism is included in the device that automatically hinders its motor to function if the base of the pitcher or the grinder is not in place. Both the jars and blades are dishwasher safe.
