### **Product Description and Specification**

The Herzberg HG-5029:3 in 1 800W Stand Mixer is high quality and elegant looking multifunctional stand mixer. It has a 3 in 1 design that remarkably caters all your kitchen needs. This is a combination of a stand mixer, meat grinder, and glass blender all in one unit. Ideal for everyday kitchen food preparation, this multi-functional device is also perfect in small spaces. The stand mixer has a powerful 800W (1000W max power) that has a large stainless steel bowl and detachable transparent splatter shield that makes it even easier for kneading dough without a mess. Along with this mixer would be 4 high-quality accessories; A kneading dough hook is a design for mixing and kneading dough that achieves excellent power, a Y-stirrer beater is for creating perfectly mixed food viscosity, a balloon whisk is a design for whipped cream, frosting, and whisking. and beater disc is designed to cream butter, sugar, and eggs and provides great mixing performance for more thorough ingredient preparation. The glass blender is completely detachable, made from a food-grade tempered glass perfect for making fruit juices. The meat grinder has 3 cutting disk to create a different kind of grind meat for a preferred dish creation. This device has a LED illuminated rotating switch knob control with 10-speed setting & pulse speed. Powerful for nearly any task or recipe, from cakes to creams, to fruit juices to minced meat or just by adding ingredients together, the device will conveniently make your food preparation with ease.
