Herzberg HG-6015: Rechargeable Handheld Vacuum Cleaner

Herzberg HG-6015: Rechargeable Handheld Vacuum Cleaner

The Herzberg HG-6015: Rechargeable Hand Held Vacuum Cleaner is a lightweight versatile vacuum cleaner that helps you clean your house more easily. This 2 - speed vacuum cleaner has a maximum suction power of 150 watt that cleans the floor in minutes. With super silent working noise, it cleans without any disturbance, perfect for kids and pets at home. The wireless design provides convenience from the hassle of a cord while producing a remarkable 12Kpa of suction to give you a deep, thorough cleaning. This comes with a charging station that can be easily mounted and it has a fast-charging feature for only 3-4 hours. This handheld vacuum cleaner can also be converted from a casual long barrel vacuum to a handheld to accommodate your cleaning need. These barrel pipes are elegantly powder-coated aluminum that is highly durable and does

not rust and corrode. The flexible head can turn 180 degrees to compensate for the need for cleaning in any corner and under the furniture. This bagless convertible vacuum cleaner is powered by a 2200mAH Li-ion Battery and it has a 3 LED for Battery status indicator. The one-touch release lock to empty the dustbin easily without touching the dirt. The highly efficient filtration system has 3 stages while delivering it cyclonic power, it locks in small particles with no leaks while expelling fresh air and its keep the air clean. It has also a one-click button design help you change the brush more convenient. It came with 2 types of brush heads and can be easily changed by a one-click button to clean the necessary types of floor. Experience the new technology in cleaning with the Herzberg HG-6015: Rechargeable Hand Held Vacuum Cleaner.
