Herzberg HG-8011: Storage Wardrobe - Medium

Organize your things with a style and compliment your room with HG-8011 from Herzberg. Constructed with a powder coated heavy duty steel frame, its material offers high bearing capacity and is not easy to bend or dent. The selected non woven fabric cover protects your garments from dust, moths, and dirt, and provide you room vibrant accent. It also has a roll-up fabric door that can be secured by a velcro tape, and when you want to fully close the wardrobe, you can just unfold the roller shutter to hide your clothes and other kinds of stuff with a rust free zipper. Creating and connecting its structure is a PP plastic connector which is sturdy, durable and resistant to high temperatures. This wardrobe has a 2 movable hanging rod provides extra hanging and storage space for seasonal clothes or other daily accessories. It has also 9 shelves for storing garments or other things such as shoes, toys, and hats. It also comes with clear installation instructions for quick and easy construction and no tool is required. The Herzberg HG-8010 a perfect addition to any home with storage issue and it provides a clean and comfortable living space.
