Herzberg HG-8029: Platform Trolley Cart

An innovative and compact design that is remarkably multipurpose and mobile for all your hauling needs. Introducing the Herzberg Platform Trolley Cart, a trolley cart suitable for indoor and outdoor. Move household items, wood planks, gardening tools, luggage, office supplies with ease. The construction is totally precise to accommodate heavy things, The 4 wheels are wear-resistant and offer seamless and reliable transportation suitable for all surfaces and perfect balance in any terrain. Made from high-quality material for long term use, this trolley uses high-grade powder-coated steel. The handle is a soft rubber coat that provides optimum comfort. The platform has an anti-slip rubber surface to secure the baggage while the control and maneuverability are superb that it gets along with ease for corner and sharp angles, thanks to the two back wheel design that provides 360-degree swivel functionality. This has a custom support guard that ensures items won't slip backward for safe transport. Handling materials for hauling is also remarkable as this modular cart can accommodate up to 150 kgs.

Easy to store and won't eat up a lot of space as it was designed to fold down the padded handle in seconds. And regardless of where it's used, the foldable structure is perfect for easy storage in your garage, basement, office, storage closet, or warehouse. t eat up a lot of space as it was designed to fold down the padded handle in seconds.
