Herzberg HG-8034ORG: Moving Clothes Rack - Orange

Herzberg HG-8034ORG: Moving Clothes Rack - Orange

This hanging rack is everything you need from drying your laundry to storing your clothes and other wearables. Constructed from a high quality durable and sturdy steel, powder coated to protect from rust and corrosion this moving rack can handle and organize your clothes. Base and contraption are high grades ABS plastic that provides a durable linkage of metal and creates its sturdy structure. This consists of 6 foldable & collapsible shelves and expands air drying space requirements. The base is supported by 2 powder coated solid steel base bars for better support, increases stability and can accommodate shoes for drying or keeping. Both upper sides have a functional 2 wing hanger slot to position clothes with an ample amount of space between to maximize drying or just to organize clothes neatly. It also has an easy to move wheel design consisted of a lockable rolling caster to secure the load and can be optionally placed from outdoor to indoor. Lightweight and conveniently easy to fold for storage and guaranteed not to take too much space. It is easy to assemble as it came along with an easy to follow step by step instructional manual. This moving clothes rack is versatile that this can be used as a drying station or a clothes organizer and open wardrobe
