Manufacturer: Herzberg Home & Living
Reference:HG-8037

Product Description and Specification

The HG-8037: 2200W Steam Iron is constructed and engineered into a high performance revolutionize self-cleaning steam iron. The double nonstick ceramic coated soleplate is durable, scratch and corrosion-free and makes it easy to clean while providing a superior glide, balance and stable heat. The advanced heating technology provides a rapid heating action provides high performance and saves energy consumption. The ergonomic temperature control dial setting has a 3 variation: Rayon/Acrylic for low temperature, Silk/Wool for medium temperature & Cotton/Linen for hIgh temperature, this provides precise temperature for quick and effortless ironing. This steam iron has a spray function that helps around those stubborn wrinkles. The burst steam function continually adjusts steam output to the temperature of the soleplate while delivering more steam for removing even the most difficult and toughest wrinkles. The vertical steam functions able you to steam clothes, curtains, furniture, and other vertical appropriate things. This steam iron has a magnificent 3-way safety feature, the automatic safety shut off is a sensor switch that automatically shut down the unit to avoid fabric burning. The self-clean function flushes small calc particles through the soleplate miniature hole. The front of the steam iron has a pointed design that allows easy access to tighter spaces such as seams, collars, and buttons around difficult areas.

Features:

Power steam iron with max output to 2200w Vertical steam, spray jet & burst steam function Beautiful modern design Rust and corrosion free Easy-glide and energy efficient Special nonstick ceramic dual soleplate Ergonomic temperature control dial setting Rayon, Acrylic - low temperature Silk, Wool - medium temperature Cotton, Linen -high temperature 3 way overheat auto shut off protection Power steam for horizontal & vertical presentation Indicator light Self-cleaning, anti-calc system, and anti-drip Extra Long, 360 degrees swivel power cord Saves 40% on ironing time Removes wrinkle efficiently and effectively Long-lasting and durable CE GS RoHS Certification

Specification:

Brand name: Herzberg Color: White, Dark Blue Body Materials: High-Grade ABS Sole Plate Materials: Ceramic Coated Stainless Steel Power: 1800-2200 W Voltage: 220-240V - 50/60Hz Power Cord Length: 2.4. meters Dimension: 29.7 cm x 12.8cm x 15cm

EAN :	5404035000731
ISBN :	85164000
Weight :	1.10 Kg
Volume :	0.00585 m ³
(L x l x H) :	30.00 cm x 15.00 cm x 13.00 cm
Box	6 units
Pallet	288 (Units)
Box dimensions	40CM X 32CM X 31CM
