Herzberg HG-8041: Clothes & Towel Rack

Herzberg HG-8041: Clothes & Towel Rack

Enjoy the convenience of drying your clothes and other linen after the laundry with the Herzberg HG-8041: Clothes and towel rack, as a revolutionized way to organized those damp clean linen. The tripod design creates a perfect balance to the unit no matter what the load is and equipped with an anti-slip base. The two levels are designed to be folded and constructed for even better strength and stability. This 3 tier is in circular form accommodating 32 hanging option for both lower and upper hanger. The top was designed with a crossbar with 24 clips for your undies, socks, handkerchief, and towels. The main body is a 25/19mm stainless steel tube construction, and all materials are proven safe, non-toxic and free from corrosion and rust. It's easy to store and won't take up a large amount of space in your storage. It's also portable to move the unit around where the sun is necessary. This clothes and towel rack is manufactured to the highest quality standard to ensure its durability over time and stability overload.
