**Kidzberg KG-1001RD: Baby Car Seat - Red**

**Kidzberg KG-1001RD: Baby Car Seat - Red**

The Kidzberg Car Set combines comfort and safety for a great value of child restraint and exceeds the minimum standard for a car seat. Made from a high-quality material to ensure the safety of your child, it has an adjustable headrest can be customized to fit children of different sizes while a body is doubled and fully padded helps and keep the children safe and

comfortable. This car seat provides a great vehicle fit and helps your child protected longer in both rear and forward-facing positions. This has a side impact protection with an energy-absorbing shell and pads that helps reduce the force felt by the baby in a collision. The adjustable 5 point harness provides better security. Perfect and can be accommodated in both small and big vehicle passed the EU R16 regulations or other equivalent standards certification which can prove that the motor vehicle is equipped with three-point static belt adjuster which meets the requirements. The covers are made of 100% polyester with polyurethane fills. This baby car seat provides added safety at the same time providing extreme comfort for your infant or toddler. Harness covers, buckle covers, and a plush head pillow will keep your infant or toddler comfortable during long car trips. Express your love to your young one by providing them comfort, safety, and security under your vehicle with the Kidzberg Baby Car Seat.
