Kraftmax International KF-CDRH025; Rotary Hammer and Cordless Drill Combo Kit

Kraftmax International KF-CDRH025; Rotary Hammer and Cordless Drill Combo Kit

Kraftmax Professional Tool KF-CDRH025 brings the best combo tool you can ever have. Rotary hammer and cordless drill combo set can be the best tool you'll ever have. Our rotary hammer has a no-load speed rpm of 850 in 230volts. Ideal for use in masonry or steel drilling tasks, this dual function drill combines a hammer drill and a regular drill - making it an essential hand tool in the kit of the modern DIY-er. The hammer drill is designed with easy handling and longevity in mind, the drill features an ergonomic design with robust aluminum gear housing and soft grip auxiliary handle complete with a fully integrated lock on switch. Our cordless drill is 18v with a no load speed up to 1350rpm. LED lights are installed for the convenience in working in a dark environment. This cordless drill has a 2-speed option serving your necessity of each task. Ergonomically designed soft handle for better comfort and it has a 1-hour quick recharge option.

Features:

Robust aluminum gear housing Rotary hammer has a variable speed trigger, keyless chuck, and gear selector Strong motor for the demanding task Ergonomically designed Soft handle for better comfort High-grade aluminum gear housing Corded for Rotary Hammer Cordless for Drill Driver
