### **Kraftmax Professional Power Tools KF-CD016; 20v Cordless Drill & Impact Driver Combo Kit**

### **Kraftmax Professional Power Tools KF-CD016; 20v Cordless Drill & Impact Driver Combo Kit**

There is so much you can get with the Kraftmax Professional Power Tools KF-CD016 2 compact tools in one great set. Double the task and convenience with the new smart cordless drill and a heavy duty cordless driver. Both drivers are ergonomically designed for use in a small space. Both also have an LED light which is convenient in the dark working environment. The drill driver has an 18+1 time torque setting and drilling mode and a gear selector. The impact driver offers a 90 N.m with a no-load speed of 2400 rpm. This driver combo is both rechargeable and powered by a 1.5Ah battery. The compact body of the driver means you can apply maximum leverage, enabling you to get the most from this drill/driver's the best output.

**Features:**

Drill/Driver with Compact Design Powerful and Easy to Use Quick-Charging, Long-Lasting Battery Packs Led Lighting for a dark working environment Light and compact for working in tight spaces High-performance motor Ergonomically designed soft handle Ideal for DIY, home and general building, engineers, carpenters and mechanics
