Royalty Line KME-700.325.4: Portable Coffee Maker with Travel Mug
Royalty Line KME-700.325.4: Portable Coffee Maker with Travel Mug

Create a perfect cup of fresh, delicious and aromatic brewed coffee with the Royalty Line KME-700.325.4: Portable Coffee Maker. Now you can enjoy your flavourful perfect coffee any time of the day. The design is practical and ergonomic, this coffee maker is ideal for small rooms, office and anywhere. This electric drip coffee maker brews standard coffee and with the double insulated stainless steel thermal mug, your morning will always be brighter with a warm cup of coffee hotter and longer. Constructed from food-grade stainless steel that does not change the quality of the coffee's flavor. Easy to use, this has a one-touch control and contains a permanent coffee filter for convenience during brewing, so no expensive pods are needed. It has an innovative auto shut down feature that ceases to function for any malfunction for safety purposes. The base is completely stable with an anti-slip rubber design. Enjoying your morning coffee on the go is surely easy with this portable coffee maker from Royalty Line.
