Royalty Line RL-PP42XXL: Party Pan

The Royalty Line PP42XXL: Party Pan is all the thing you need to enjoy every delicious meal you can think of. Fry, grill, stew, paellas, omelets, pizza and more. This Party pan is the most versatile cooker with elegant design, this cooker can be used as a serving pan for your dish after cooking. The Pan is made up of a die-cast aluminum body with high-quality nonstick coating surface that can cater to any dish your family need. The glass lid is made up of tempered glass with bakelite handle that locks in moisture and nutrient while cooking. The heating platform is designed to provide a 360 degrees 3D cyclic heating mechanism to keep the heat stable and maintain an evenly and continuous temperature. This cooker has a 5-speed adjustable thermostat controller to control the necessary temperature manually. Both sides have a heat resistant scald proof handle to protect you countertop and even your table. Easy to clean and easy to use this will create dishes regardless of time and season.
