Royalty Line RL-BS30M: Marble Coated Cooking Pot & Casserole - 30cm

Introducing the Royalty Line RL-BS30M Marble Soup Pot - a versatile addition to any kitchen, perfect for cooking up delicious soups, stews, and more! This 30cm pot boasts a high-quality marble coating, ensuring that your food won't stick to the bottom or sides, making cleaning up a breeze. Plus, the pot is made without PFOA, so you can cook your meals with peace of mind.

The die-casting marble construction of the pot makes it durable and able to withstand high temperatures, perfect for simmering soups for extended periods of time. The non-stick coating ensures that your food won't burn, and the pot's nice design stainless steel knob and Bakelite handle stay cool while cooking, making it easy to move the pot around as needed.

With its generous 30cm size, this soup pot is perfect for preparing large batches of soup or stew for family and friends. The sleek and modern design will look great in any kitchen, making it a must-have for any home chef. So, if you're looking for a durable, high-quality soup pot that looks great and performs even better, the Royalty Line RL-BS30M Marble Soup Pot is a perfect choice!

Features:

Marble coating: The pot features a high-quality marble coating that prevents food from sticking to the bottom or sides of the pot. Made without PFOA: The pot is made without PFOA, a harmful chemical often found in non-stick coatings, making it safer for cooking and cleaning. Die-casting marble construction: The pot is made with durable die-casting marble construction, ensuring that it can withstand high temperatures and heavy use. Non-stick coating: The non-stick coating ensures that food won't burn or stick to the pot, making it easy to clean and maintain. Nice design stainless steel knob: The pot comes with a nice design stainless steel knob that is both stylish and functional. Bakelite handle stays cool when cooking: The pot features a Bakelite handle that stays cool to the touch even when the pot is hot, making it easy to move the pot around as needed. Generous 30cm size: With its 30cm size, this soup pot is perfect for cooking large batches of soup or stew for family and friends. The soup pot is compatible with a wide range of cooktops, including gas, electric, ceramic, halogen, and induction. It features an induction-compatible bottom, ensuring efficient cooking on all types of cooktops.
