Royalty line RL-NEWTG47M: Die Cast Aluminium Marble Coated Grill Pan with Nylon, Silicone Turner

There always a better way to enjoy your grill food in a healthier and versatile way of cooking. This cookware is a 47cm grill pan made from die-cast aluminum with non-stick marble coating which is PFOA free and safe for everyday use. Sturdy and convenient, this grill pan has two side options. One side of the grill plate has ridges for you to enjoy a seared look from a barbecue food and allows fat to drain away as the food cooks – so you can enjoy healthier griddled food. The plain side of the griddle is for dry frying, you can cook a variety of meats, fish and veg, and even eggs. without requiring fats or oils when cooking. The two handles are an integrated and removable silicone handle protector for easy handling and transportation and perfect work well when hanging the pan. This grill pan produces a balanced temperature and with no heat spot. This pan is

easy to clean and dishwasher safe. And suitable for all types of cooktop including induction and oven.

Features:

Light & sturdy forged aluminum body 2 in 1 Grill plate with marble coating One ridged side base and one plain side base Durable and eco-friendly PFOA free and safe for everyday use Non-stick coating for easy cooking Easy to clean and dishwasher safe Integrated handle with removable silicone protector Ready to use with all stovetops, including induction and oven Does not require fats and oil for cooking Well balance temperature distribution with no heat spot Cook multiple items at the same time Slotted turner with soft grip handle
