Royalty Line RL-WDVC30: Wet and Dry Vacuum Cleaner 1400W

Manufacturer: Royalty Line

Reference:RL-WDVC30

Royalty Line RL-WDVC30: Wet and Dry Vacuum Cleaner 1400W

Royalty Line RL-WDVC30: Wet and Dry Vacuum Cleaner 1400W

The Royalty Line RL-WDVC30 is a high-powered wet/dry vacuum that can quickly and easily complete even the most laborious cleaning jobs. This vacuum has a 1400W motor, which means it can remove dust and dirt from your carpets, floors, and upholstery with ease.

This vacuum has a wide range of applications thanks to its 230V50/60Hz voltage, making it useful in homes, offices, and garages. The vacuum's multi-stage filtration system keeps dust and other airborne particles where they belong—inside the vacuum, where they can't re-enter the environment.

With its large 30L capacity, the Royalty Line RL-WDVC30 allows you to clean more without stopping to refill the tank. Additionally, it has a suction power regulator that lets you tailor the airflow to your needs.

As an added bonus, the vacuum has a handy air-blowing feature that can be used to clean in otherwise inaccessible places.

In sum, the Royalty Line RL-WDVC30 is an excellent cleaning tool that can be used on both dry and wet surfaces.

Features:

Wet and Dry Vacuum Cleaner Power: 1400W Max Voltage:230V~50/60Hz Multi-Layer Filtering 30L capacity Airflow control Special Air-blowing Function Cleans solid particles and liquids easily Multiple filtration system With a special air blast function Practical stop position Compact airflow control on the handle Large-diameter rear wheels for easy travel and use
